

CURRICULUM VITAE

MBAE LINUS MUTUGI

E-mail: linusmutugi6727@gmail.com

Phone: +254 714 719 935

NAIROBI

BIO DATA

Date of Birth: 04/01/1996

Nationality: Kenyan

National ID: 33861852

Languages: English, Swahili, Kimeru

PERSONAL PROFILE

A highly motivated and industrious software engineer with strong technical, leadership, and interpersonal skills. I thrive in team environments that promote collaboration and innovation. I am reliable, disciplined, and eager to learn and contribute to organizational growth continuously.

CAREER OBJECTIVE

To attain professional excellence and advance my ICT career by delivering high-quality software solutions, while contributing meaningfully to the objectives of the organization I serve.

EDUCATION

KCA University (KCAU) — Bachelor of Science in Information Technology (*In Progress, Expected Completion: 2028*)

Novatech Engineerics – *Certificate in Arduino and Digital Electronics* (June 2022)

- Gained practical experience in microcontroller programming and electronics design.
- Developed hands-on projects using Arduino kits and sensors.

Moringa School – *Certificate in Software Development (Android: Angular, Java & Spark) and Introduction to Programming* (Feb–July 2020)

- Built Android applications using Java and integrated backend APIs with Java Spark.
- Developed web-based interfaces with Angular and implemented responsive designs.
- Completed projects involving databases, user authentication, and front-end UI/UX.

Jomo Kenyatta University of Agriculture and Technology – *Diploma in Information Technology* (Sept 2017–Aug 2019)

- Covered software development, networking, database management, and IT systems administration.
- Completed final-year projects on application development and database design.

Igembe Boys High School – *Kenya Certificate of Secondary Education, Mean Grade C+; Certificate in Computer Packages* (2012–2015)

- Gained foundational computer skills in Word, Excel, PowerPoint, and basic programming.

PROFESSIONAL EXPERIENCE

Software Engineer | Africa Airlift Initiative

April 2023 – Present

- Designed, developed, and hosted the company website using PHP, MySQL, Bootstrap, jQuery, JavaScript, and CSS.
- Implemented front-end and back-end solutions for web and mobile applications.
- Developed desktop applications using the VB.NET framework.

Freelance Software Engineer & Tech Consultant

August 2020 – Present

- Developed web applications, mobile apps, and desktop applications using PHP, MySQL, Java, Firebase, Angular, Java Spark, and VB.NET.
- Delivered UI/UX design, database integration, and full-stack development.
- Provided graphic design services (logos, business cards, brochures, posters) and printing services.
- Installed and configured CCTV systems and extended networking solutions for residential and commercial clients.
- Worked on several projects in collaboration with other developers, including:
 - Stunning Destinations Safaris
 - Grandgen Realty
 - Ameristar Real Estate
 - Vantage Africa School of Leadership

Intern | Private Networking Company, Juja

Aug – Dec 2019

- Assisted with P2P networking device installations and configurations.
- Installed and maintained CCTV systems and provided client support.

Intern | Yetu Sacco Society Limited, Nkubu

Feb – Apr 2019

- Assisted with customer service, account management, and document handling.
 - Supported the system administrator with computer maintenance and networking tasks.
-

NOTABLE WORK ACHIEVEMENTS

Africa Airlift Initiative (April 2023 – Present)

- Designed, developed, and hosted the company website using PHP, MySQL, Bootstrap, jQuery, JavaScript, and CSS.
- Implemented both front-end and back-end solutions for web and mobile applications.
- Developed desktop applications using the VB.NET framework.

Freelance Projects (August 2020 – Present)

- Collaborated on multiple high-profile projects with other developers, delivering full-stack web solutions:
 - Stunning Destinations Safaris
 - Grandgen Realty
 - Ameristar Real Estate
 - Vantage Africa School of Leadership
- Delivered UI/UX design, database integration, and API development.
- Designed and printed logos, business cards, brochures, posters, and employee materials for several entrepreneurs.
- Installed and configured CCTV systems (up to 20 IP cameras) with remote access, extended Wi-Fi networks, and maintained client networking solutions.

Internships & Early Experience

- Installed P2P networking devices and CCTV systems and provided client support for various businesses.
 - Assisted in system administration, networking, and customer service at Yetu Sacco Society Limited.
-

SKILLS

- **Programming & Development:** Android (Java), Web (PHP, AngularJS, JavaScript, HTML, CSS, jQuery), Desktop (VB.NET)
 - **Databases:** MySQL, Firebase, PostgreSQL, MS SQL Server
 - **Networking & CCTV:** Installation, configuration, and maintenance
 - **Graphic Design:** CorelDRAW, Photoshop
 - **Other:** Computer maintenance, customer service
-

INTERESTS

- Hiking
 - Music
 - Networking
-

**JOMO KENYATTA UNIVERSITY
OF
AGRICULTURE AND TECHNOLOGY**

This is to certify that

Mbae Linus Mutugi

*having satisfied all the requirements
for the award of the diploma in*

INFORMATION TECHNOLOGY

with

Tasi

*was admitted to the diploma at a congregation
held at this University
on Friday the Twenty Ninth of November
in the year
Two Thousand and Nineteen*

Vice Chancellor

Deputy Vice Chancellor
(Academic Affairs)

IGEMBE BOYS' SECONDARY SCHOOL
P.O BOX 51, MAUA

CERTIFICATE OF COMPLETION

This is to certify that **LINUS M. MBAE** ADM. NO. **5178**
has successfully covered secondary computer syllabus as per
8-4-4- system. The following packages were covered:

- ♦ Introduction to Computer
- ♦ Word Processor
- ♦ Ms. Excel
- ♦ Databases
- ♦ Ms. Publisher
- ♦ Internet and E-mail
- ♦ Elementary programming principles
- ♦ System Development
- ♦ Networking and Data communication
